Philip/Erick: thanks for the opportunity to meet with you and members of the council last week. As promised, here's an example CAP, modeled after a recent CAP submitted by a tribe pursuant to a recent EPA Order on Consent.

Philip/Erick:

I look forward to our visit tomorrow (Wednesday). Please let me know where to show up. It's now late in the day and I'm not sure if I'll have access to email tomorrow so if one of you could text me the address of the meeting location that would be great. (Cell 847-309-2632). This way I can let you know the status of my travels tomorrow as well. I'm scheduled to land in Duluth around 11am. So figure I'll be in Odanah by 1:30-2pm the latest if no delays.

Also, you may want to print out copies of the attached table and bring to the meeting. It's a summary of the recent EPA violation report for Wisconsin. I can go over this at the meeting.

Thanks,
Dean
